Parents, Please Note

Many of the camps include "water play" and/or "pool time" in the description. We understand that swimming may bring up concerns for parents. During our "free swim", your child is in great hands with our CPR/First Aid Certified Camp Team, at a ratio of 1:5. During "group lessons", each Certified Swim Instructor will be teaching a group lesson to five campers, while a Camp Counselor monitors the lessons from the pool deck. Younger campers will play in sprinklers on the lawn and in the mushroom pool. There will be Camp Counselors and BCCV lifeguards on duty and in the pool while the children are in and/or around the pool area. If you would prefer not to have your child around the pool area please contact the Childcare Director and we will provide other activities for your camper.

GOOD TO KNOW

Remember, the less you pack, the easier it is for us to keep track of everything! Please label everything in your bag. Bay Club Courtside is not responsible for any lost or stolen items.

Your child will need to bring the following, in a labeled carry bag or backpack:

- Bathing suit
- Swim Accessories: goggles, swimmies, etc
- Extra snack if needed (we provide an am and pm snack as well as lunch)
- White-soled, closed toes shoes and socks must be worn every day (we encourage Velcro or slip-on shoes for children who cannot tie their own)

Electronics Policy

Due to the difficulty in monitoring the content on electronics, cell phones, tablets, personal gaming machines, and other electronic devices are not permitted in Camp.

Camper Code of Conduct

Our main goal is to provide each Camper with a safe and secure environment. We want to create a warm, comfortable, and fun atmosphere that will have your child looking forward to coming to Camp each day. Please take a few minutes to review the following Camper guidelines with your child.

While attending Camp at the Bay Club I will...

1. Listen and follow the instructions of counselors and staff.
2. Always stay with my group.
3. Keep my hands and legs to myself.
4. Not act aggressively towards my fellow campers or counselors.
5. Be kind and considerate to my fellow campers.
6. Not tease, taunt, name call, or bully my fellow campers.
7. Tell a Counselor if I see or hear any bullying by another camper.
8. Use the trash receptacles and clean up my messes.
9. Be polite and use proper manners especially "please and thank you".
10. Be aware while others are talking and will not interrupt.
11. Not bring iPods, cell phones or any electronics to camp.
12. Be a good sport and have a lot of fun!

SAFETY FIRST!

The Bay Club is committed to providing the safest environment possible for all Campers. Here are just a few of our safety practices:

- All of our Camp Counselors are background checked and CPR certified.
- Upon check-in, each camper will be given a color-coded wristband that will help identify their Camp group as we travel throughout the Club.
- Campers are adequately supervised when going to and from the bathroom, and will be provided assistance when needed.
- Campers will change after swimming inside our designated changing tents. If assistance is needed during changes, a Camp Counselor will provide help.
- At maximum capacity our counselor to camper ratio is 12:1 (Bay Club Camp) & 8:1 (Little Explorers). Throughout the day, the ratio may decrease, depending on the activity.
- We understand that swimming may bring up concerns for parents. During our “free swim” (ages 6+ only), your child is in great hands with our CPR/First Aid Certified Camp Team, at a ratio of 12:1. During “group lessons”, between the Certified Swim Instructors and CPR/First Aid Certified Camp Team the ratio will be 4:1, for Little Explorers and 8:1 for Bay Club Camp, while a Camp Counselor monitors the lessons from the pool deck.
- All campers are checked out using a 4 digit pin. If anyone other than you or your spouse will be picking up, please log on to the parent dash board to enter their information. They will be then be sent their own 4 digit pin via text message.
- Throughout the summer all counselors are required to participate in interactive safety drills that directly relate to children in Camp. Whether it's a bee sting, a food reaction or another medical emergency, you can rest assure that your camper is in safe and knowledgeable hands.
