Remember, the less you pack, the easier it is for us to keep track of everything! Please label everything in your bag. Bay Club Fremont is not responsible for any lost or stolen items.

Your child will need to bring the following, in a labeled carry bag or backpack:

- Refillable water bottle
- A nut free lunch (sports camp only)
- Extra snack if needed
- Comfortable clothing and tennis shoes

Camper Code of Conduct

Our main goal is to provide each Camper with a safe and secure environment. We want to create a warm, comfortable, and fun atmosphere that will have your child looking forward to coming to Camp each day. Please take a few minutes to review the following Camper guidelines with your child.

While attending Camp at the Bay Club I will...

1. Listen and follow the instructions of counselors and staff.
2. Always stay with my group.
3. Keep my hands and legs to myself.
4. Not act aggressively towards my fellow campers or counselors.
5. Be kind and considerate to my fellow campers.
6. Not tease, taunt, name call, or bully my fellow campers.
7. Tell a Counselor if I see or hear any bullying by another camper.
8. Use the trash receptacles and clean up my messes.
9. Be polite and use proper manners especially “please and thank you”.
10. Be aware while others are talking and will not interrupt.
11. Not bring iPods, cell phones or any electronics to camp.
12. Be a good sport and have a lot of fun!

SAFETY FIRST!

The Bay Club is committed to providing the safest environment possible for all campers. Here are just a few of our safety practices:

- All of our Camp Counselors and Leadership (18 years and older) are background checked, finger printed, and CPR|AED|First Aid trained. They also complete extensive camp orientation covering positive child developmental practices, conflict resolution, anti-bullying, and inclusive team building skills.
- Sunscreen is applied prior to swim and tennis.
- Campers with dietary restrictions or medical needs will be given a bracelet, so all camp staff whom come in contact will be aware and provide appropriate care.
- Campers will change after swimming inside our designated changing areas in the Family Locker Rooms.

- We understand that swimming may bring up concerns for parents and we take the safety of your child very seriously so a swim test will be conducted for all kids under the age of 14. Those who can swim the length of the pool unassisted and can tread water for 60 seconds will be considered “water safe”. Those whom prefer not to test or unable to complete the swim test will have to bring a Coast Guard approved life vest to wear.
- Monday through Thursday, we offer swim lessons for 30 minutes with certified swim instructors. In addition, Camp Counselors will be on the pool deck throughout the entire lesson to help monitor the campers in the pool.
- At maximum capacity our Counselor to Camper ratio is 12:1. Throughout the day, the ratio may decrease, depending on the activity.
- All campers are checked out using a pin. If anyone other than you or second parent will be picking up, please log on to Bay Club Connect to enter their information. They will then be assigned a PIN number. Campers will not be released without an authorized guardian on file and use of correct pin.
- Throughout the summer all Counselors are required to participate in interactive safety drills that directly relate to children in Camp. Whether it’s a bee sting, a food reaction, or another medical emergency, you can rest assured that your camper is in safe and knowledgeable hands.
