

# April 9, 2022

555 California | San Francisco, CA

## Join us at the starting line!

### Event Overview

Celebrating its 16th year in San Francisco, we are excited to announce the vertical race will be back in the stairwells of the iconic 555 California Street Building. **Join the Bay Club trainers as they lead warm-ups on the plaza!**

Prefer to climb outdoors? Our Urban Climb is back by popular demand. Climbers may again participate in an exploration of the many beautiful outdoor staircases in the City by the Bay as an alternative to the indoor skyscraper climb.

How you climb is up to you. Indoors, Outdoors or Virtual. You can race to the end or take it at your own pace.

We need you in the fight now more than ever. Come join us for the shared challenge, for the camaraderie, and for a world free of all lung disease, including COVID-19.

**Use discount code BAYCLUB22 for \$15 registration.**

\$100 Minimum Fundraising Requirement Per Person
