A Day in the life of a Bay Club Camper

We invite you to look at a day in the life of a camper to discover what makes our kids' camps unique*:

8:45 AM-9:00 AM

Arrival and Check In.

9:00 AM-12:00 PM

From games to sports, we emphasize play throughout our morning activities-such as tennis, basketball, and so much more.

12:00 PM-1:00 PM

Children receive a well-balanced meal and have free time to rest.

1:00 PM-4:00 PM

Science and art activities fill our afternoons with imagination and creativity.

With a combination of adventure and fun, our camps are the best place for kids of all ages to spend their summer.

*The schedule provided is a high-level overview of our daily camp schedule. Camp availability, location, times, and daily schedule may vary by location. For a full list of current camps by location log in or sign up in Bay Club Connect using the QR Code below.

Little Explorers Ages 3-5

Little Explorers is for our youngest campers. Your little camper will come home with stories about the crafts and friends they made, the games they played, and the new dance moves and songs they learned. Our professional staff has fun activities planned daily, so no day is the same. Activities may vary by location.

Multi-Sport & Activity Camp Ages 5-12

Our Multi-Sport and Activity Camp is a great way for your kids to spend their summer. Your camper will experience a variety of sports from aquatics and squash to basketball and tennis, and so much more. Our instructors will lead skill drills and games to develop sports fundamentals. Between our high-energy sports sessions, there is plenty of time for more fun. Arts and crafts, socialization with friends, and crazy group challenges will round out your child's amazing camp experience. Activities may vary by location.

Single Sport Camp Ages 6-14

Your Tennis, Squash, Golf, or Swim star will develop technique, skills, and strategy on their sport led by a Professional Trainer, Strength and Conditioning Coach, or Sports Pro. You'll get to choose a sport to improve overall athleticism (coordination, agility). Sports may include Tennis, Aquatics, Golf, Squash, Pickleball, Basketball and Rock Climbing. Camp will consist of an array of games and activities during the week but most importantly they will have FUN.

Counselor in Training Ages 13-15

Sadly, all campers must grow up, but taking the Counselor in Training (CIT) program can be a great way to transition from camper to counselor.

Plus, CITs will learn job related skills for the future, demonstrate leadership ability, act as a mentor, share responsibility, and strengthen communication skills. CIT's lead by example, they engage, participate, and assure all campers are having a great experience. CITs will spend time with campers, ages 3-12, supporting games and activities organized by camp staff. Responsibilities may include, but are not limited to, active participation in sports, arts & crafts, team building, group games, food service, and supporting the day-to-day operations of the Camps.

Want to Team up for Camp?

We've got you covered. Your child, + 14 or more of their friends can attend camp sessions together.

Camp FAQs

How do I register?

Registration for camp sessions will be in Bay Club Connect for members and non-members. For questions, please email camps@bayclubs.com. Plus, if you have any questions, our associates at the front desk will be available to assist you.

Can I book camp by the day, week, or month?

All camps are designed in one-week sessions. This allows your child to learn new skills, and practice throughout the week all while creating new friendships.

Can I register my child for a camp outside of their age range?

We realize kids develop at different paces, our age guidelines are in place to assist our associates and campers in having a great summer! As we get to know campers' personalities and skill levels, we love to communicate with feedback on the best fit for your camper and encourage you to do the same.

How do I check in and check out my child from camp?

For the safety of your camper, a PIN number will be required daily at drop-off and pick-up. The PIN number is generated by Bay Club Connect at the time of registration. The PIN is sent to you via text to the phone number provided on the parent or guardian Bay Club Connect profile.

How do I retrieve my PIN number?

To retrieve your PIN number, follow the steps below:

- Log on to your Bay Club Connect app or log on to your account at bayclubconnect.com
- Click on Household or Members on the bottom of the home screen.
- Click on Actions for the parent or guardian.
- Confirm the phone number listed in Contact Info is the accurate cell phone number.
- Click on SEND PIN – the pin will be sent via text to the phone number list on the parent or guardian Bay Club Connect profile.

Do I need to fill out the medical form for my child prior to drop off to camp?

Yes, prior to dropping your camper off all MEDICAL information must be completed. You will NOT be able to drop off your child unless you have completed these forms online.

Where do I find the medical forms?

To fill out the medical form, follow the steps below:

- Log on to your Bay Club Connect app or log on to your account at bayclubconnect.com
- Click on More on the bottom of the home screen
- Click on Settings
- Click on Household permissions
- Select the child registered for camp, then select MEDICAL FORM
- Fill out all fields and click Save. Repeat for each child.

What safety measures are in place to protect my children?

Our staff goes through a rigorous and extensive hiring process that includes reference checks, criminal background checks including trustline fingerprint registration, drug testing and multiple online and in-person training sessions. All staff are First-Aid, CPR, and AED certified and participate in regular health and safety drills. Our onsite facilities are abundantly equipped with safety equipment and standard safety procedures are executed throughout the day.

What does the daily schedule look like?

Full day kids' camps will begin at 9:00 am and end at 4:00 pm. Lunch will be provided at noon. Campers will participate in rotations that may include arts & crafts, music, and movement as well as physical fitness and sports activities like group games, swimming, basketball, and tennis.

What is the cancellation or rescheduling policy?

Our goal is to provide flexible, inclusive family programming for our members and guests. We are aware that emergencies occur and that sometimes life has a way of disrupting our plans, so we've written our Cancellation & Rescheduling Policy to be as accommodating as possible. If you accidentally book an incorrect session, please contact camps@bayclubs.com within 48 hours for correction. In the event you need to cancel a camp reservation or reschedule a session, please ensure the cancellation is made in writing to camps@bayclubs.com. If a camp cancellation request is made 14 or more days prior to the first day of the camp session, you will receive a refund of 75% of the enrollment fee. The refund will be issued to your original form of payment. The Bay Club cannot provide refunds for cancellations for any reason, including illness, if the cancellation occurs within 14 days of a program's start date. If you need to reschedule your Camp booking to a different session, your request will be considered and approved based on the current capacity of the requested sessions. Reschedule requests are guaranteed only when confirmed by the camp director. In the event one of our Camp programs fails to meet capacity, state or county guidelines, the Bay Club reserves the right to cancel the program. You will be notified at least 48 hours in advance of any cancellation. If a Camp is cancelled, you will be refunded 100% to your original form of payment.

Camp FAQs

Do you have discounts available?

Yes! Members discount: 25% off non-member rate. Sibling discount: 10% off any additional child.

Swim Safety

In order for your child to participate in swimming activities during camp, we require they pass the swim safety test. This test ensures that all participants have the necessary skills to enjoy the water confidently and responsibly. The test consists of two components:

- Treading water: Your child will jump into the pool, fully submerge themselves, resurface, and then tread water for one minute with their ears out of the water and nose pointing forward. They must remain in place without swimming. This skill is vital for maintaining stability and control while in the water.
- Lap swimming: Starting in the shallow end, your child must swim 25 yards in any style without using goggles and exit the pool unassisted. This requirement ensures that they have the necessary stamina and swimming ability to navigate the pool safely.

These safety measures are in place to ensure the well-being of all campers and promote a secure aquatic environment. We prioritize the safety of every child and believe that swimming competence is crucial for their enjoyment and participation in water activities. If, for any reason, your child is unable to pass the swim safety test, alternate arrangements will be made during the swimming sessions to ensure their continued engagement and enjoyment.
